SPROCKET SPECIAL EDITION FOR JUNE 6, 2026

Although we don't have a final \$\$\$ total yet, because there is still a check coming, we had over \$1,500 in the cash box and it can be reported that our Annual Shredding Event this year collected 5500 pounds (that's 2.75 tons!) of personal papers and documents from lots of folks who drove through (starting at 9:45!) on Saturday, June 6, between 10:00 am and 2:00 pm to have happy, but hot, Rotarians unload their cars for bags, boxes, and all sorts of other containers of collected papers to be shredded.

Not surprisingly, there were lots of our great Rotarians who participated in this fundraising activity. Thanks to all of those who participated, as well as to Allen Curtis for use of his folding table, Deedra Durocher for use of her 10x10 tent which had its last event, and George Brake for following Deedra to the Recycling Center to get rid of the tent frame and a truck bed full of broken down cardboard boxes. Also, a big thank you to Aidan, Marva Long's son who helped unload cars!

Of course, a special thank you to Carolina East Health Systems for their partnership and sponsorship of the Always Shredding Truck which allows for every donation we collected to go to our club's Charities Fund. And to Caden, the very personable and helpful young man from Always Shred who was there with us for the afternoon.
